

3-4-11 Assessment on Implicit Bias

Name _____

Circle **ALL** the statements about implicit bias that are true.

1. Implicit biases
 - a) Have no impact in the “real-world.”
 - b) Are shortcuts or associations our brains create.
 - c) Are ideas and beliefs that we hold that we are aware of and agree with.
2. Implicit biases
 - a) Are learned.
 - b) Can be interrupted or stopped if we make an effort.
 - c) Are always permanent and fixed.
3. Name one strategy that people can use to overcome implicit bias.

4. Draw a picture of the first thing you think of when you hear the word “superhero.”
